- Can be completed within 8 months
- The CMA is a time-efficient and cost-effective certification program with the potential to deliver significant return on your investment.

CMA Certification

Requires two years of professional experience in Management Accounting / Financial Management, or in the areas specified by IMA. This requirement may be completed prior to or within seven years of passing the examination. IMA is the global brand and ICMA is the certifying body.

Topics and Examinations

Part I: Financial Planning, Reporting Performance and Control

Part II: Financial Decision Making

4 Hour Computerized online exam in three sessions a year-Jan/Feb, May/June & Sept/Oct

Career Opportunities

The CMA program is designed specifically to validate mastery of the advanced skills required to manage finance functions within an organization enabling you to deliver value in today's complex business environment. The demand for CMAs in India is increasing with the arrival of MNCs and flow of off-shore establishments into our country.
