■ Banking, Financial Services need 1.6 million skilled workers by 2022

“The BFSI sector is expected to create additional employment of over 1.6 million by 2022”, NSDC said in its report.

Banking, financial services and insurance (BFSI) sector in India will need an additional 1.6 million skilled workforce by 2022, the National Skill Development Corporation (NSDC) has estimated. Industry needs skilled candidates so as to enable them to scale up to the changing trends.

The report states that corporate banking, retail banking, treasury, finance, insurance, technology and human resource will increasingly require staff with relevant skills and aptitude. MBA program offered by Vidyabharathi with the add on certifications and skill development programs ensures that the students are equipped to be job ready and industry ready from day one.

■ Career aspirants looking at financial sector as a top choice

This has already been reflected in the career choices made by youngsters. The preferred career choices in banking and financial service industry stand at 33% as per Indian Banks Association report. Higher income, job security and status, other monetary benefits and perquisites, progression opportunities and annuity benefits make the career in these sectors most demanding, attractive and preferred.

■ Career options

With an MBA and a specialization in Banking & Finance, opportunities in the corporate world are greatly enhanced and are typically found employment in the following:

- Public & private sector banks.
- Payment banks.
- Small finance banks and Micro Finance Companies.
- Mutual fund companies.
- Insurance companies.
- Share broking firms.
- Non Banking Finance Companies
- Large and small sized industrial firms.
- Non-profit enterprises and private businesses.
